

Transporting Firearms Safely

Non-restricted firearms

Non-restricted firearms must be unloaded during transportation.

Leaving Any Class of Firearm in an Unattended Vehicle

- Lock non-restricted firearms and locked containers carrying restricted or prohibited firearms in the trunk or in a similar lockable compartment.
- If the vehicle does not have a trunk or lockable compartment, put firearms and firearm containers out of sight inside the vehicle and lock the vehicle.
- If you are in a remote wilderness area and cannot lock your non-restricted firearms inside your vehicle, unload them and put them out of sight. Attach a secure locking device to the firearms unless they are needed for predator control.
